

Our Goal

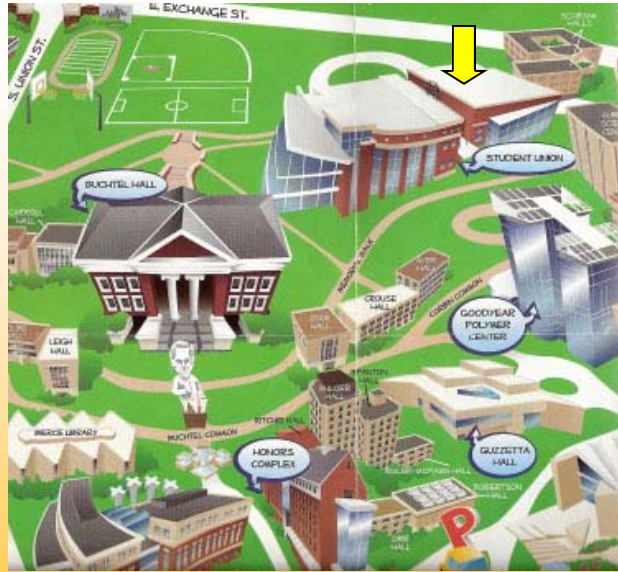

Our goal is to provide the best possible service and the lowest prices to our customers.

As a higher education reseller, our customers are current students taking credit courses, current employees and departments of the University of Akron. Authorization for alumni and retiree's of the university to purchase merchandise from Computer Solutions varies by vendor.

Our vendors provide educational pricing which allows us to provide the lowest possible cost to our customers

The staff at Computer Solutions can assist you in configuring a computer system that best meets your individual needs and answer questions about computer accessories.
