Wayne College's associate degree program in Social Services Technology prepares you for pre-professional employment in social work and other human services. Completion of this degree will give you the credentials needed to apply for a Certificate of Registration as a Social Work Assistant. It will also enable you to complete a bachelor's degree in social work from The University of Akron with an additional two years of full-time study.

Social Services Technology graduates are qualified for employment in a variety of exciting positions in human service organizations. Opportunities are available to work with families, youth, the elderly, special populations such as veterans, and chemically dependent individuals. Possible job titles include:

- Family Service Worker
- Activity Worker
- Child Care Worker
- Chemical Dependency Technician
- Social Services Worker
- Outreach Worker
- Program Coordinator
- Prevention Specialist

Your starting salary will depend on your level of education, skills, experience, the size of the company you work for, and your geographic area. Based on a survey of recent Wayne College graduates, starting annual salaries generally range between \$11,960 and \$18,500.

NOTES:

- a. Associate to Bachelor's degree option students must select one of the following economics courses:

2040:247 Survey of Basic Economics
3250:100 Introduction to Economics
3250:200 Principles of Microeconomics
3250:244 Introduction to Economic Analysis

- b. Attend a Social Services Practicum meeting the semester **before you expect to enroll**.

- c. If you are pursuing an associate degree and have completed twelve or more semester credits, we suggest that you schedule an appointment with an academic adviser to declare your major officially and to produce a student degree agreement (contract). The degree agreement is a formal statement of the courses that you must complete to satisfy your degree requirements.
