Wayne College Committee Reports

- Academic Affairs – no report
- Academic Assessment – **written report not submitted**
- College Well-Being – no report
- Enrollment Management – no report
- Faculty – Faculty decided to maintain a monthly meeting schedule regardless of any change to the College Meeting schedule. Doug Woods and Tim Vierheller were elected to the Market Adjustment Task Force. They will work with Dr. Popovich in allocating money to address compression of salaries.
- Planning – Over the summer the committee spent two days visiting businesses (Wooster Brush and Smucker's) and colleges (BGSU Firelands and Lorain CCC). We met with the people in charge of strategic planning and discussed questions such as devising a plan, maintaining focus, and keeping people on board. As a result of these meetings, the committee is rethinking its approach to the strategic plan, considering a "less is more" approach; that is, making the plan less tactical. We will continue to update the college community on our deliberations. The members wish to thank Tim Vierheller for his contributions to the work of the committee.
- Student Senate – We have a lot of new activities we are sponsoring and participating in. So far, we have a team of around 20 people participating in the Heart Walk on September 23. We will be distributing envelopes with a letter attached. If you want to help us raise money for the Heart Walk, that is one way you can do so. We sponsored a Welcome Back/Wayne Fest event September 6th and 7th. This was a way for students to enjoy the transition back into a new semester. Amanda Feaster and John Lorson have joined Jackie Ashbaugh as advisors this year.
- Technology – no report
- College Council – Budget forms will be distributed in the next week. Our budget requests must indicate which priority (Interactivity, Programs, Assessment) it supports. College Meeting dates and times were discussed. We will have two less meetings this year. Meeting dates are October 20, December 1, February 2, March 30, and May 4. All meetings will begin at 10:00 a.m. Topics for discussion may be submitted directly to the Dean or through an administrator. Topics should be items that will engage the entire College community. Committee reports will be placed on the web and remain there until the next College Meeting.
