SUMMARY: ADULT STUDENTS GET THE SCOOP AT WAYNE COLLEGE OPEN HOUSE

Orrville, Ohio, April 23, 2007 – The University of Akron Wayne College will hold an open house and ice cream social Monday, April 30, 6 to 8 p.m., for adult students considering college for the first time or those planning to resume their education.

Prospective students will have the opportunity to speak with Wayne College staff and ask questions about financial aid, majors available, degrees offered and the application process. Tours of the campus and ice cream sundaes will be available throughout the evening.

Admissions counselor John Lorson says he is looking forward to telling people about the new Technical Experience Assessment program.

“This is a great chance for folks to get credit for some of the things they have been doing in their work life for years,” says Lorson. “Each case is going to be very individualized, but we’ll sit down and discuss a person’s work history to discover how his or her experiences fit into the available courses. It will, of course, save money for people, but for many adults the time saved by not having to take a full semester class is the biggest benefit.”

Wayne College is located at 1901 Smucker Road in Orrville. For more information on the open house and ice cream social, call 1-800-221-8308, ext. 8900 or 330-684-8900.
