SUMMARY: LEARN ABOUT SOCIAL SERVICES MAJORS AT WAYNE

Orrville, Ohio, Jan. 22, 2008 – Students planning careers in social services can learn more about the programs available at The University of Akron Wayne College. An information session will be held on Thursday, March 13 beginning at 6 p.m.

The Social Services Technology Information Night gives prospective students the chance to hear from Wayne College alumni who have gone on to social services careers. Faculty also will be available to speak about the courses required and the employment opportunities that accompany the degree programs.

According to Admissions Counselor Traci Carmony, the goal of the evening is to present the benefits of a social services major at Wayne. “Wayne College’s average class size is 18 students so there’s a lot of personal attention from the instructors,” says Carmony. “In smaller classes, students have the opportunity to ask extra questions. This additional attention may help them develop a greater understanding of the subject.”

To reserve your seat at the Social Services Technology Information Night, call Carmony at 1-800-221-8308, ext. 8909, or e-mail traci2@uakron.edu.

Wayne College is a regional campus of The University of Akron, and is located at 1901 Smucker Road in Orrville.
