	<ul style="list-style-type: none"> • Notebooks with Built-in Wireless • PCWA-C300S PC Card 	<ul style="list-style-type: none"> • Pre-802.11g models may be incompatible
	<ul style="list-style-type: none"> • Notebooks & TabletPCs with Wireless 	<ul style="list-style-type: none"> • Pre-802.11g models may be incompatible
	<ul style="list-style-type: none"> • AirPort & AirPort Extreme 	<ul style="list-style-type: none"> • Any Apple Macintosh running MacOS X 10.2 "Jaguar" or higher

This document was last updated 11/29/2005. This document is constantly updated as we discover more cards to be compatible with our network. Wireless cards not listed here are unsupported by the University of Akron and may not work. Use unlisted cards at your own risk and expense.

For assistance in installing or configuring the wireless network, bring your computer and wireless card to the Technology Learning Support Center in room 69 in the Bierce Library. If you are unsure of your computer's wireless hardware, you may contact us at (330)-972-6888 or helpdesk@uakron.edu
